

Volunteer Information

Thank you for your service as a volunteer. We truly appreciate all who volunteer to help with our daily operations and ministry.

Who is a volunteer? A volunteer is a person who provides their time and service directly to an insured entity without remuneration or compensation.

In accordance with the Diocese of Cleveland's Policy for the Safety of Children in Matters of Sexual Abuse, any volunteer at an organization covered by this policy who works with children more than four (4) hours per month or who works with children more frequently than once a month must complete a screening process, Virtus training, and review and acknowledge the Diocesan Standards of Conduct for Ministry. This requirement helps to protect youth within the Diocese, as well as volunteers, and is intended to provide a safe environment for all in our Church. More information on these requirements can be found here:

Sometimes volunteers have questions about what insurance coverage is or is not available to them. More information can be accessed at the Diocesan Master Insurance Program Website:

Please note that Volunteers using their own vehicle as a part of their volunteer service must maintain and provide us with proof of auto liability insurance.

Again, thank you for your service to the Catholic Church in the Diocese of Cleveland.
